PARKING POLICY

Preamble

The safety of the children and adults visiting our school site is of the highest priority.

Parking on our school site is a privilege, which is dependent on the driver's compliance with this policy.

The parking policy and practices of the school are based on many years of refinement and meeting with external bodies including the City of Swan, Road Traffic Authority etc. Parental input is valued but the Principal to whom all comments and suggestions should be directed may only vary this policy.

Aims

The Good Shepherd Catholic School Parking Policy aims to:

1. provide a safe access to the school for all pedestrians
2. provide an orderly arrangement for parking of vehicles on the school site
3. acknowledge that parking on the school site, which is private property, is a privilege and not a right.

Principles

1. Speed
 - a. all vehicles are required to comply with a 5km/h speed restriction. As a guide the vehicle should be moving at a slow walking pace.
 - b. This is vital as many pre-school children are on the site.
2. Traffic Flow
 - a. Entry Only from Altone Road – Exit Only to Morley Drive
 - b. When exiting onto Morley Drive if turning:
 - i. left, use the car park nearest the church or the drop off lane
 - ii. right, use the car park above the school oval or the drop off lane
3. Parking
 - a. Do not stand or leave your vehicle whilst in the Pick Up & Drop Off Zone –
 - i. move your vehicle forward when a space ahead becomes available
 - b. Do not pick up and drop off children along the Access Road
 - i. use the Pick Up & Drop Off Zone or park your vehicle
 - c. The entrance from Altone Road is a “clearway” at all times – if the drive thru is full please turn left or right into the car park areas available.
 - d. Do not park in such a way as to obstruct other vehicles from leaving their bays.
 - e. Do not block driveways especially to the Priest's House
 - f. Parking under or across the church entrance is prohibited
4. All staff directives are to be complied with immediately for the safety and convenience of all
5. All signs and line markings are to be complied with
 - a. Signs are self evident
 - b. Yellow solid lines are no standing zones.
6. Failure to comply with this policy may result in the privilege of parking on the school site being withdrawn. The school site is private property.
