

Good Shepherd Catholic School

STRATEGIC PLAN

2019 - 2020

History of Good Shepherd Catholic School

Good Shepherd Catholic School was established as the teaching arm of the Catholic Church in the Lockridge Parish. The school's philosophy of education has an explicit and all-pervasive religious dimension. At the heart of this religious dimension is the task of the transmission of truths, values, beliefs and attitudes of the Catholic Faith.

Good Shepherd Catholic School was established in 1983 and the Sisters of the Infant Jesus lived and worked in the Parish and the school until 1989. The Presentation Sisters moved to the Parish in 1990 and continue to work in the Parish today. The school is a co-educational institution providing primary education to approximately 470 children from Kindergarten to Year 6. The school is an integral part of the Good Shepherd Parish and there is a very close relationship between the parish and the school.

The school's motto: *Many Gifts, One Spirit* is lived out in our vision of 'an inclusive community, growing together in faith by living our Catholic values and beliefs.' Through such a vision the school is able to foster a Christian mentality in our society, and to encourage young people to contribute more broadly to the development of the kind of world envisaged by Christ.

"Many Gifts, One Spirit"

"I am the gate. Whoever comes in by me will be saved; he will come in and go out and find pasture....

I am the Good Shepherd who is willing to die for the sheep...

I am the Good Shepherd. As the Father knows me and I know the Father, in the same way I know my sheep and they know me. And I am willing to die for them...

they will listen to my voice, and they will become one flock with one shepherd."

- John 10 -

House Names

To acknowledge the traditional custodians and owners of the land we must call on the Noongar people. The name Maali translates to “black swan” which represents the location of Good Shepherd School and its closeness to the iconic Swan River. Maali recognises the importance of this landmark in our history and the traditional land owners that Good Shepherd has been built upon.

Fr Daniel Foley was the longest serving Parish Priest at Good Shepherd Lockridge from 1991 to 2002. He was the driving force behind the construction of our Church, and was an integral part of our school community, often visiting classes and the staffroom to share his faith, wisdom, friendship and love with all. We honour Fr Foley in his service to our school.

Pope Francis is a man of service to all, a humble and courageous leader. Pope Francis performs great acts of pastoral care. With his strong sense of faith and boundless love he reflects the leadership of Jesus, reminding us that our task is to be like Jesus the Good Shepherd. Pope Francis is influential to our school and emphasised the missionary commitment of the Church in our community.

Sister Ita Noonan was the first nun from the Order of the Sisters of Infant Jesus to join the community of Good Shepherd School. Being the first nun from the order to start a teaching career, she played an influential role and was the founding order of Good Shepherd School and parish. We honour Sister Noonan for all the hard work she put into building the community of our school.
